I am a member of St. John Vianney Church in Shelby Township, Michigan. I am exercising my right to receive a religious exemption for the vaccination. I am a practicing Catholic and my religion is really important to me.

I went through 14 years of Catholic School. I went to St. Lawrence in Utica, Michigan from preschool to eighth grade and then went to Marian High School in Bloomfield Hills, Michigan an all-girls Catholic High School for all four years. I have received all my Sacraments thus far including Baptism, Penance, Eucharist, and Confirmation.

The Catholic Church states that no one should be obligated to get the vaccine. I am strongly pro-life, and the church has stated that Catholics can refuse abortion-tainted vaccines. "Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations" – Jeremiah 1:5. "From birth I was cast on you; from my mother's womb you have been my God" – Psalm 22:10. I am a child of the living God and I strongly believe that God knew me before he created me. Everything that happens to me is the Lord's conscience and he is telling me to not to get the vaccine.

Therefore, as a practicing Catholic, opposed to abortion I cannot get the vaccine according to the Catholic Church principles. I have the right to object regarding what is put into my body. In having said all that, the use of these vaccines would be a violation of my faith that opposes abortion. Under the teachings I follow. I am religiously and morally bound. I request that you respectfully grant my religious exemption.
